

Franchise Finance Case Study

Background

Ifeoma Mafeni was recommended to speak with us by Kare Plus when she made the decision to pursue one of their franchises. We subsequently held telephone conversations with her to ensure that the business planning process would be as smooth and trouble-free as possible.

The Outcome

Franchise Finance duly prepared a comprehensive business plan for Ifeoma which greatly assisted her with the planning for her new Kare Plus franchise.

Here's what Ifeoma had to say:

"I worked with a Franchise Finance Consultant on the business plan and he was very knowledgeable, professional and flexible. He listened to my comments and made the necessary changes until we finalised the plan. I wouldn't hesitate to recommend Franchise Finance."
